FREQUENTLY ASKED QUESTIONS

1. How soon does coverage start? When will we receive proof of coverage?

Coverage can be bound the day after we receive a completed enrollment form and the appropriate premium. Please allow adequate time for us to process your enrollment form and issue certificates.

2. When should we make our coverage effective?

The effective date is the date you need your insurance to start. If you are renewing coverage with us, use the expiration date of your existing coverage. Coverage will be in effect for one year.

3. What does annual gross sales mean?

Annual gross sales is a measure of your overall sales that have not been adjusted for customer discounts or returns. This can be calculated by simply adding all sales invoices, not including operating expenses, cost of goods sold, payment of taxes or any other charge.

4. What is the co-insurance penalty referenced with the equipment and contents coverage?

The equipment and contents coverage available with this program contains a 100% co-insurance clause. With a 100% co-insurance clause, you are agreeing to accept a penalty if a covered loss occurs and all of your equipment and contents are not insured to their replacement cost value. For this reason, it is vital that the values of your equipment and contents be accurately reported and updated annually to reflect inflation and other increases in cost. If they are undervalued, a co-insurance penalty may be applied at the time of a loss. The penalty equals the difference between the amount of the loss and the amount actually paid by the carrier.

The simple formula used to derive at the amount to be paid by the carrier is as follows:

“Did” / “Should” x Loss Amount – Deductible = Amount Paid

“Did” = the amount of coverage you did purchase

“Should” = the replacement value of your equipment and contents that you should have insured

5. What does the term “replacement cost” value mean with regards to equipment and contents coverage?

Replacement cost means that the value of covered property will be based on the replacement cost at the time of loss without any deduction for depreciation. It is limited to the cost of repair or replacement with similar property and used for the same purpose.

6. Am I covered if I rent party supplies and equipment?

Yes, but only if you are renting the equipment/supplies to the client for whom you are planning an event. This program is not intended to cover operations where equipment and supplies are rented to the general public and there are no event planning services being provided by you.

7. Will we receive a policy after submitting the enrollment form?

Coverage offered under this program is exclusively through Sports, Leisure and Entertainment Risk Purchasing Group (RPG). The RPG receives a master policy from the company. Submission of this enrollment form confirms your desire to receive coverage through the RPG. Each member will receive their own certificate of insurance as their evidence of coverage. The limits of insurance apply individually to each insured member organization-there are no shared limits of liability with any other members. A copy of the RPG master policy can be requested in writing to: Shoff Darby Companies, Inc., 100 Technology Drive, Suite 200, Trumbull, CT 06611.

Note: This program is intended to cover liability coverage for the planning and organizing of the event planner. Coverage for the event itself should be purchased separately by the event host/client.
